The heart of the home is undoubtedly the great room, where an alluring gas fireplace and a textured wood accent wall create a visual symphony of elegance and rustic charm. With a surround sound system that envelops every whisper. This is more than just a movie room; it's a space where memories are made and laughter echoes, all within the comfort of your own home. Ascend the staircase, bathed in the soft glow of the handrail, and discover the second-floor living room, three well-appointed bedrooms with en-suite bathrooms, a convenient laundry room, and the opulent master suite. The master bedroom's vaulted ceilings with beams, and oversized windows flood the space with natural light, creating an ambiance of serenity and relaxation.
